

## Waud Capital Partners

Founded in 1993, Waud Capital Partners is a private equity investment firm that partners with management teams to invest in middle market buyouts, recapitalizations, growth equity investments and industry consolidations.

Waud Capital Partners is a growth investor with a value perspective. We invest in business and consumer services, healthcare services, specialty distribution and value-added manufacturing. We have a particular interest in companies that can be grown internally or through acquisitions.

Our willingness to explore a spectrum of investment options, together with our expertise, experience and determination, maximizes the opportunity for greater reward.

Since we began in 1993, Waud Capital Partners has successfully completed over 75 investments covering a wide range of industries, including:

- **Adhesives**
- **Air and Water Treatment**
- **Alarm Monitoring**
- **Automotive Components**
- **Coatings**
- **Consumer Products**
- **Home Healthcare Services**
- **Hospitals**
- **Lighting**
- **Litigation Support**
- **Medical Distribution**
- **Petroleum Distribution**
